Wire Forming Technology

International

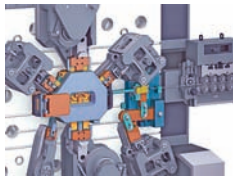

CNC single-head bending/coiling machine....19

Springs processed via shot peening...28

Nine-axis spring coiler...47

Forming machine tooled for making brackets...48

Riding the "Bullet Train" through Japan...50

Feature Articles

17 Important Features of a Spring Load Tester

Mike Bayliss - "Technically Speaking" column.

18 Fresh Look, New Equipment Concepts

Andreas Hoster - A long-standing spring making and wire forming equipment supplier revises and modernizes itself to take on the future.

28 Throughfeed Shot Peening & Shot Blasting

Hans Jörg Stoll - Applications for these technologies include cleaning of coil springs and descaling of wire prior to spring making.

42 Spring Coiling Roundup

Editorial Staff - Suppliers have responded to our call for the state-of-the-art in spring coiling equipment and technology.

48 Multi-Functional Processing Center, NC Modules & Next Generation 3D Software

Vinzenz Hörmann - A look at the latest innovations from a global supplier of forming, assembling and welding equipment technologies.

50 Spring Tour of Japan & China

Jerry Reese - Part 2 of an article that looks back on last year's USA tour of the business and cultural aspects of the spring industry in Japan and China.

56 Spotlight On Straightening & Cutting

Michael McNulty - Removal of cast from wire, rod or bar as well as cutting of stock to proper length are the critical first steps in most spring and wire formed parts manufacturing processes.

58 Steps to a Prosperous Recession

Dr. A. A. Imberman - Finding answers to the six key questions in this article is a sure method not only of staying alive, but staying well during a recession.

59 Tool Steels

Dr. Roger N. Wright - Part 8 of the multi-part series, *The Strength of Steel*, dedicated to the metallurgy of spring making and wire formed parts manufacturing.

Industry Events

20 Straight From The Show

A look back at the images, facts and news from *wire 2008*, held this past March 31 to April 4, 2008, in Düsseldorf, Germany.

30 Visiting "Green" in Steel Making Country

Wire Association International (WAI) - Preview of *Wire Expo 2008*, taking place June 7 to 11, 2008, at the David L. Lawrence Convention Center in Pittsburgh, PA, USA.
