Straightener for dry drawing machines...50

Flipper mounts two or three straighteners...56

**INTERWIRE**  
TRADE EXPOSITION

smi metal  
engineering eXpo  
OCTOBER 2015 • CHARLOTTE

## Feature Articles

### 22 Down to the Wire: Time to Protect Our IP

Drew Greenblatt - Despite best practices, no company is completely immune from theft of intellectual property and trade secrets.

### 26 CNC Coiler Increases Spring Manufacturing Capacity

Ron Hubbard - Advanced capabilities allow strict compliance to specifications, reduced lead times and increased production of large springs.

### 46 How 3D Wire Forming is Changing the Game

Cody Masson - Your customers can get exactly what they need regardless of complexity, with no hassle, no extra cost and no extra waiting time.

### 50 Straightening & Cutting Roundup

Editorial Staff - Suppliers have responded to our call for the state-of-the-art in straightening and cutting equipment and technology.

### 58 Inaugural Event for the Engineered Spring & Precision Metal Components Industries

Gary D. McCoy - A look at the upcoming *SMI Metal Engineering eXpo*, being held October 19 to 22, 2015, in Charlotte, NC, USA.

### 62 Spotlight On Wire Forming & Tube Bending

Mike McNulty - Keeping up with human imagination for forming and striving for lower costs.

### 66 Plasma: A Versatile Heat & Surface Treatment Process

Igor Rogelj - This technology proves itself in a range of continuous applications from annealing and hardening to cleaning and heat treating.

### 72 Atmosphere Furnace & Auxiliary Equipment Technology & Training

Mary Grimborg - Fulfilling heat treatment needs of the automotive, aerospace, commercial and energy sectors.

### 74 Application of Fretting Fatigue Life Prediction of Steel Wires

Dr. Jianfang Sun/Guohui Zhang - Case study on crack propagation relative to linear elastic fracture mechanics shows reasonable results.

## Columns

### 18 The Variator Factor — Why Referenced Dimensions?

Randy DeFord - All Things Springs

### 20 Annealing of Steel — Part 6 “Low-Temperature” Stress-Relief Annealing

Dr. Roger N. Wright - The Strength of Steel

## Industry Events

### 28 Exhibition, Education & Networking

Preview of *Interwire 2015*, April 28 to 30, 2015, in Atlanta, GA, USA.

### 58 Inaugural Event for the Engineered Spring & Precision Metal Components Industries

Gary D. McCoy - Registration is open for the content-rich *SMI Metal Engineering eXpo*, being held October 19 to 22, 2015, in Charlotte, NC, USA.

### 68 Focus on Business Opportunities in Russia

Preview of *wire Russia 2015*, May 12 to 15, 2015, in Moscow, Russia.
